MINUTES

Attendees: Eric Larson, Scott Jarvis, Reggie Greenup, Sandy Camargo, Jim Burgess, Damon Crutcher, Becky Barrick, Brian Hayes, Donna Bee, Cindy King, Hollie Delaney

The meeting was called to order by City Engineer Eric Larson. Introductions of attendees were made.

The revised work program per fiscal year 2008-2009 based on funding was presented by Eric Larson. Topics highlighted included:

- Budget does not include capital improvement projects
- Budget does not include creation of a storm water utility
- Budget fits within approved limits after cutbacks were made
- Further funding is needed

Sandy Camargo then gave a brief update on the permit approval based on review from the Ky DOW. Revisions are due July 2, 2008 although Eric has requested an extension.

The floor was opened for questions and discussion.

Citizen Donna Bee suggested a local non-profit she was involved with might be willing to volunteer.

Next meeting date: Monday, September 15, 2008, 4:00 p.m. at City Hall Council Chambers. Topic will be review of program implementation and status of the statewide permit.
